Day 2 The Rally De Maleville (EASTER MONDAY)

Join in a french fun day of riding with around 70 other horse riders, plus walkers and cyclists. We follow a new map and route each year, with many canters and beautiful views. The ride is normally 30km, and has breaks on the way .. A 'casse-croute' with drinks, fresh local fruits, breads, cheeses and snacks. We ride as a group, and are well known to the locals .. Plus our horses are known for their fitness ! The day finishes with a leisurely afternoon lunch in the salle de fete with around 300 locals. The lunch is prepared by a local restaurant. Again the horses are left in a field overnight and we transport you back to the Mas De Clamouze for drinks and supper.

Day 3 (Tuesday) Set off from Maleville to return to Mas De Clamouze. The ride has many canters by the sides of fields, and takes you via the pretty village of Peyrusse le Roc. We provide saddlebag snacks so you can have a fast ride home. Celebratory dinner and fizz when you return! (Around 25km riding)

A small extra charge of 35 euros is required for the rally fee and restaurant.
